## **SCA SERVICES BPA – Solicitation**

### **A. BACKGROUND**

On April 9, 2008, the Second Chance Act (SCA) of 2007, Pub. L. No. 110-199, was enacted. Section 253 of the Act amended 18 U.S.C. § 3672 to authorize the Director of the Administrative Office of the U.S. Courts (AO) to contract for “treatment, equipment and emergency housing, corrective and preventative guidance and training, and other rehabilitative services designed to protect the public and promote the successful reentry of the offender into the community.” In October of 2008, the Judicial Administration and Technical Amendments Act of 2008, Pub. L. No. 110-406 (October 13, 2008) (JATAA), significantly enhanced courts’ ability to provide interventions for defendants and offenders under 18 U.S.C. 3672 and 3154(4). This expanded the authority for a wide array of interventions with which probation and pretrial services officers might mitigate specific risks and responsivity factors related to their caseloads.

The statute authorizes “providing necessary services to offenders ... in a manner that does not confer luxuries or privileges upon such offenders” (42 U.S.C. § 17501(a)(4)). Additionally, the Act shall not “be construed as creating a right or entitlement to assistance or services for any individual, program, or grant recipient” (42 U.S.C. § 17504). Congress intended the new authority to be exercised judiciously. Courts must be careful stewards of resources used under this authority.
